Independent Auditors' Report

The Board of Directors
Conference on Jewish Material Claims
Against Germany, Inc.:

We have audited the accompanying financial statements of the Conference of Jewish Material Claims Against Germany, Inc. (the Claims Conference), which comprise the statements of financial position as of December 31, 2012 and 2011, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly in all material respects, the financial position of the Conference on Jewish Material Claims Against Germany, Inc. as of December 31, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The fund information included in the statements of financial position and statements of activities is presented for purposes of additional analysis of the financial statements rather than to present the financial position and changes in net assets of the individual funds, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Financial Statements

December 31, 2012 and 2011

(1) Organization and Summary of Significant Accounting Policies

(a) Organization

The Conference on Jewish Material Claims Against Germany, Inc. (the Claims Conference) was founded in 1951 by 23 international Jewish organizations to represent world Jewry in negotiating for compensation and restitution for victims of Nazi persecution and their heirs. The Claims Conference administers compensation funds, recovers unclaimed Jewish property in the former East Germany, allocates grant funds to institutions that provide social welfare services to victims of Nazi persecution, and preserves the memory and lessons of the Holocaust. It maintains primary offices in Frankfurt, Germany; New York, New York; and Tel Aviv, Israel. In addition, the Claims Conference maintains satellite offices, primarily in Eastern Europe, with the largest office in Budapest, Hungary. The activities of the Claims Conference are more fully described in the following notes to financial statements.

(b) Basis of Presentation

The accompanying statements of activities are presented in total by programmatic activity. To ensure compliance with restrictions placed on the use of resources available to the Claims Conference, its accounts are maintained in accordance with the principles of fund accounting. This is a procedure by which resources are classified for accounting and reporting purposes into funds established according to their nature and purposes. Net assets and revenues, gains and losses are classified based on the existence or absence of grantor-imposed restrictions. Accordingly, net assets are classified and reported as follows:

Unrestricted net assets – net assets that are not restricted by grantors or where the grantor-imposed restrictions have expired. As reflected in the accompanying statements of financial position, the Claims Conference’s Board of Directors has designated a portion of the Claims Conference’s unrestricted net assets for various purposes.

Temporarily restricted net assets – net assets subject to grantor restrictions that permit the Claims Conference to expend the assets as specified. The restrictions are satisfied either by the passage of time or by actions of the Claims Conference in accordance with those specified by the grantor. Restricted grants whose restrictions are met in the same reporting period are reported as increases in unrestricted net assets.

(c) Use of Estimates

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Significant estimates include the valuation of investments and unsold restituted properties and collectibility of receivables.

Notes to Financial Statements

December 31, 2012 and 2011

(d) Foreign Currency Translation

The Claims Conference conducts its operations in different countries. However, the accompanying financial statements are reported in U.S. dollars. Assets and liabilities are translated using the exchange rates in effect at the statement of financial position date. Revenue and expenses are translated based on a weighted average exchange rate for the year. The resulting translation gains and losses are reported as a component of the applicable net asset category.

Foreign currency transactions have been translated from Euros into U.S. dollars at (i) the prevailing rate of exchange at December 31, 2012 and 2011 (1.32180 and 1.29500), respectively, for assets and liabilities, and (ii) an average of the daily prevailing rates of exchange for the years ended December 31, 2012 and 2011 (1.28608 and 1.39284), respectively, for revenues and expenses. Foreign exchange transactions have also been translated from New Israeli Shekels (NIS) into U.S. dollars at (i) the prevailing rate of exchange at December 31, 2012 and 2011 (3.73510 and 3.81980), respectively, for assets and liabilities and (ii) an average of the daily prevailing rates of exchange for the years ended December 31, 2012 and 2011 (3.86006 and 3.58080), respectively, for revenues and expenses.

(e) Fair Value Measurements

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The fair value hierarchy maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value. The three levels in the fair value hierarchy are as follows:

- *Level 1* – Inputs are quoted prices in active markets for identical assets or liabilities.
- *Level 2* – Inputs are quoted prices for similar assets and liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument.
- *Level 3* – Inputs are unobservable inputs based on the Claims Conference’s own assumptions used to measure assets and liabilities at fair value.

A financial asset or liability’s classification within the hierarchy is determined based on the lowest-level input that is significant to the fair value measurement.

(f) Interfund Accounts

The interfund accounts represent temporary advances (borrowings) principally related to reallocations of administrative expenses and borrowings against anticipated grants. The interfund balances, eliminated in combination, are generally settled during the following year.

Notes to Financial Statements

December 31, 2012 and 2011

(g) *Cash and Cash Equivalents*

The Claims Conference considers all highly liquid financial instruments with original maturities of three months or less when purchased, other than those held in the investment portfolio, to be cash equivalents, and the carrying amount approximates fair value.

(h) *Investments*

The Claims Conference's investment policy is generally to invest in securities issued by the U.S. Treasury and U.S. Agencies having an average portfolio maturity of less than two years. The Claims Conference also invests in short-term fixed income European AAA sovereign securities and Israeli government securities. Additionally, funds are invested in U.S. and European money market accounts that invest in sovereign and government and agency securities. The investment philosophy of the Claims Conference is based on the dual mandates of preservation of principal and liquidity in all environments and currencies. Investments are stated at fair value based on quoted market prices.

(i) *Income Taxes*

The Claims Conference is a not-for-profit agency exempt from U.S. federal income tax under Section 501(c)(4) of the Internal Revenue Code, and state and local income taxes. The Claims Conference is exempt from taxes in Germany and Israel based on local tax codes.

The Claims Conference follows Accounting Standards Update (ASU) No. 2009-06, *Implementation Guidance on Accounting for Uncertainty in Income Taxes and Disclosure Amendments for Nonpublic Entities* (ASU 2009-06). Accordingly, the Claims Conference recognizes the effect of income tax positions only if those positions are more likely than not of being sustained.

(j) *Contractual and Other Obligations and Grants*

Contractual and other obligations are recognized in accordance with the terms of contractual agreements for individual compensation programs. Grant obligations are generally recognized when the related allocations for institutional programs are approved by the Board of Directors. The majority of such obligations are scheduled to be paid in the next year.

(k) *Restituted Properties and Compensation*

The Claims Conference recognizes the estimated fair value of restituted property when it is awarded unconditional title to the property. Properties received are recorded at estimated fair value generally based on independent appraisals obtained when the property was recovered, subsequent evaluations, and comparable sale values. Actual proceeds realized will depend on market conditions at the time of the sale, and may be materially different from amounts currently recognized. If the Claims Conference recovers compensation in lieu of receiving a property itself, such compensation is recognized when it has been certified as to its value by the Regional Tax Authorities (Oberfinanzdirektion).

Notes to Financial Statements

December 31, 2012 and 2011

Certain costs related to the disposal of restituted property are deferred until such time as the sales on properties is realized, at which time such costs will be expensed as a charge against the sales proceeds. Other general expenses with respect to property administration are expensed when incurred.

(2) Cash and Cash Equivalents and Investments

Cash and cash equivalents and investments are primarily maintained in large international banks in New York, London, Israel, and Frankfurt. Certain accounts at these financial institutions in the United States have balances in excess of U.S. federally insured limits.

Investments and cash and cash equivalents, at fair value at December 31, 2012 and 2011, consist of the following:

(4) Claims Conference as Successor Organization

(a) Property Restitution and Compensation

Upon German reunification in 1990, the Claims Conference negotiated for the rights of Jewish asset owners and heirs to file claims for assets in the former East Germany. Under the German Property Restitution Law, the deadline for filing claims for restitution of assets located in the territory of the former East Germany expired on December 31, 1992 for real estate claims, and on June 30, 1993 for claims against moveable assets. Thousands of Jewish claimants filed timely claims and recovered a significant number of assets or substantial amounts of compensation in lieu of restitution. The Claims Conference was designated under the Germany Property Restitution Law to be the successor for unclaimed Jewish assets (through its Successor Organization) to ensure that unclaimed assets would not revert back to the state or to others than the heirs of the original Jewish owners. The disposition of any net recoveries from the operation of this program is determined by the Board of

AGAINST GERMANY, INC.**

Notes to Financial Statements

Directors of the Claims Conference; accordingly, revenue recognized from sales of property restitution and compensation is classified as unrestricted in the accompanying statements of activities.

Revenue from sold and unsold restituted properties during the years ended December 31, 2012 and 2011 is comprised of the following:

<u>Description</u>	<u>2012</u>	<u>2011</u>
Compensation and other	\$ 76,523,500	95,830,600
Restituted properties:		
Property additions	1,689,800	3,817,600
Realized gains on sales	5,577,700	2,971,105
Translation and valuation adjustments	1,681,800	(1,136,556)
Other	2,011,200	(326,749)
Total	<u>\$ 87,484,000</u>	<u>101,156,000</u>

As of December 31, 2012 and 2011, the total estimated fair value of unsold restituted property was approximately \$5,970,200 and \$9,194,000 (€4,516,700 and €7,100,000), respectively. As of December 31, 2012 and 2011, respectively, the Claims Conference held 224 and 239 different parcels of property.

Certain costs relating to the disposal of restituted property, approximately \$4,223,000 and \$4,431,000 at December 31, 2012 and 2011, respectively, have been recorded as deferred costs. Such deferred costs will be charged against the proceeds upon sale of the related property. Other general expenses with respect to property administration are expensed when incurred.

(b) Goodwill Fund

Notwithstanding its legal right to retain the full proceeds of the claims it makes as Successor Organization, the Claims Conference established a Goodwill Fund in 1994 in order to set aside funds for payments to certain Jewish asset owners or heirs who had not filed claims by the German-mandated deadline, and thus were no longer legally entitled to the assets or their proceeds under German law, and who met the criteria of the Goodwill Fund.

In advertising campaigns in 1998 and 2003, the Claims Conference informed the general public that certain owners or heirs who had failed to meet the legal deadline for filing claims for Jewish assets in the former East Germany could participate in the Goodwill Fund. The Board of Directors of the Claims Conference established December 31, 1998 as the deadline for applications to the Goodwill Fund. In July 2000, the Board of Directors also decided to accept certain applications made after December 31, 1998.

In September 2003, the Claims Conference published a list of former owners of Jewish assets in the former East Germany, which it had either recovered, or for which it had received a compensation payment under the German Property Restitution Law covering the former East Germany, or for which it had filed claims that were not yet adjudicated. The Board of Directors established a final

**CONFERENCE ON JEWISH MATERIAL CLAIMS
AGAINST GERMANY, INC.**

Notes to Financial Statements

December 31, 2012 and 2011

deadline for applications to the Goodwill Fund of six months from the date of publication of the list. In making its decision on this subject, the Board of Directors of the Claims Conference took special note of the fact that the Goodwill Fund had been accepting applications for more than nine years, that there was uncertainty surrounding the ultimate number of applications that would be made to the Goodwill Fund, that applications are frequently for unclaimed properties that the Claims Conference had already recovered and sold with the proceeds having been allocated, and the need to decide whether to continue making allocations for homecare and other social needs of Holocaust survivors from Successor Organization funds. Amendments, in 2011 and 2010, to the Goodwill Fund provide for review of certain applications made after March 31, 2004 under special circumstances, with a final deadline of December 31, 2011.

In 2012 and 2011, the Claims Conference paid out approximately \$24,612,000 (€18,620,000) and \$29,358,000 (€22,670,000), respectively, under this program to original owners and heirs. Since inception, the Claims Conference has paid approximately €55,937,000 under this program. In addition, it has established reserves for Goodwill Fund applications that have been approved for payment. These reserves are classified as liabilities in the accompanying statements of financial position. These applications relate to various assets for which the Claims Conference has received proceeds. At December 31, 2012 and 2011, the reserve for the Goodwill Fund was approximately \$58,503,000 (€44,260,000) and \$60,431,000 (€46,665,000), respectively. The Goodwill Fund expense for 2012 and 2011 was approximately \$20,854,000 (€16,215,100) and \$25,006,000 (€17,953,000), respectively.

(c) *Designated for Goodwill and Late Applicants Fund and Other Uses*

As of December 31, 2012 and 2011, the Claims Conference has designated amounts totaling approximately \$85,689,700 (€64,828,000) and \$20,708,000 (€15,991,000), respectively, for Goodwill and Late Applicants Fund and Other Uses. A description of the designated uses of the fund is discussed below.

The fund includes €50,000,000 for the Late Applicants Fund (LAF) for certain applicants who missed the deadline established under the Goodwill Fund, which the Board of Directors of the Claims Conference established in July 2012. The LAF will be open for a period of two years and commenced on January 1, 2013 and will accept applications from certain heirs of former owners of Jewish assets located in the former East Germany for which the Claims Conference received proceeds under the German Property Law of 1990.

The funds designated also include funds held for Goodwill applications where the approval process has not been completed, or where applicants may not be able to satisfy the routine additional documentation requirements and include funds with respect to applications where either the required documentary evidence has still not been presented, where heirs in a “community of heirs” have not yet been identified where an indemnification exists arising out of an agreement regarding certain properties, or where a final determination has not been made regarding the validity of certain Goodwill claims. Should these Goodwill Fund applications be approved in the future, the Claims Conference will recognize the obligation at that time. On an annual basis, the Claims Conference reviews the adequacies of these reserves and adjustments.

**CONFERENCE ON JEWISH MATERIAL CLAIMS
AGAINST GERMANY, INC.**

Notes to Financial Statements

December 31, 2012 and 2011

Designated for Goodwill and Late Applicants Fund and Other Uses also includes the portion of the values of properties restituted to the Claims Conference but not sold as of year-end that management estimates may in the future be subject to pending Goodwill Fund claims. As of December 31, 2012 and 2011, respectively, such values totaled approximately \$2,555,000 and \$3,611,000. A final assessment of any Goodwill Fund application associated with such properties will be performed when such properties are sold, and such amounts will be recorded as a liability if the application is approved. If such applications are not approved, the designation will be removed. In addition, designated for Goodwill and Late Applicants Fund and Other Uses includes the portion of the proceeds of bulk settlements that management estimates may be subject to Goodwill Fund payments in the future.

(d) Allocations and Grants

Allocations by the Board of Directors in 2012 and 2011 were approximately \$189,878,000 and \$62,248,000, respectively. These amounts are included in the accompanying financial statements, net of cancellations of approximately \$29,083,000 and \$24,988,000, for the years ended December 31, 2012 and 2011, respectively. Amounts are paid in accordance with the progress of the specific projects.

(e) Designated for Programs

Through December 31, 2012, the unexpended amount that the Board of Directors has designated for programs totaled approximately \$360,500,000. The Claims Conference anticipates utilizing these funds for the following program years:

2013 and 2014	\$ 88,500,000
2015	136,000,000
2016	<u>136,000,000</u>
	<u>\$ 360,500,000</u>

(f) Bulk Settlements

In 2012, the Claims Conference completed separate negotiations with the Federal Office for Central Services and Open Asset Questions (BADV) of the German Ministry of Finance regarding a certain class of bulk settlements for the textile/apparel industry. The agreement between the Claims Conference and the German Ministry of Finance resulted in payments to the Claims Conference in the amount of approximately \$22,169,000 (€17,200,000). During 2011, the Claims Conference negotiated bulk settlements with the BADV in the amount of approximately \$12,648,000 (€9,081,000). These amounts are recorded in grants and other in the years 2012 and 2011, respectively.

(g) Designated for Contractual Obligations

In July 2011, the Board of Directors established the Holocaust Victims Compensation Fund (HVCF) for Jewish victims of Nazi persecution living in Eastern European countries that are today part of the European Union. Eligible residents of these former Soviet bloc countries received a one-time

payment. During 2012, the Claims Conference approved payments of approximately \$4,831,000 (€3,756,000). The total distribution under this program funded by the Successor Organization was €4,259,500. Commencing November 1, 2012, the HVCF program is funded by the German Ministry of Finance.

(h) *Designated for Longer-Term Needs*

The Board of Directors believes there will be direct and critical ongoing needs of Nazi victims over the coming years. Accordingly, net assets not otherwise designated, are designated by the Claims Conference to support longer-term needs of Jewish victims of Nazi persecution arising after income from current Claims Conference activities declines, as well as a special fund for research, documentation, and education of the Holocaust. The amount available in these funds at December 31, 2012 and 2011 was approximately \$52,200,000 and \$249,615,000, respectively. The decrease in the amount available for longer-term needs is principally due to the Board of Directors' decision to establish the Late Applicants Fund (LAF) and additional amounts designated for programs in 2012.

(5) *BMF Fund for In-Home Services*

In 2004, the Federal Republic of Germany reached an agreement with the Claims Conference to provide support for welfare institutions assisting Jewish victims of Nazi persecution. This agreement has been negotiated on an annual basis. In 2011, a multiyear agreement was entered into between the Federal Republic of Germany and the Claims Conference that extends the "Fund for In-Home Services" until 2014. The amount, to be used as a "Fund for In-Home Services," as negotiated with the Ministry of Finance (Bundesministerium der Finanzen) was set at €136,700,000 for 2013, €126,700,000 for 2012 and €10,000,000 for 2011.

In 2012, the Board of Directors approved grant awards of €136,700,000 under this multi-year agreement, the majority of which is expected to be disbursed in 2013. The revenue and expenses for the 2013 funding will be recognized when the welfare institutions are notified of the award and agree to the terms of the agreement, which is expected to occur in 2013. Funding by the German government for the final year of this agreement is expected to be approximately €140,000,000 in 2014 (see note 11(b)).

(6) *Special Grants from the Federal Republic of Germany*

Since 1980, the Claims Conference has administered compensation programs on behalf of the Federal Republic of Germany. There are currently three such programs being administered: the Hardship Fund, the Article II Fund, and the Central and Eastern European Fund.

(a) *Hardship Fund*

In October 1980, the Federal Republic of Germany established a Hardship Fund primarily for those needy Jewish victims of Nazi persecution who were prevented from filing claims under the German indemnification laws by the 1965 deadline. The Claims Conference assumed the responsibility for the administration of the Hardship Fund under guidelines established by the Federal Republic of Germany. The guidelines limit individual payments to DM 5,000 (€2,556) per person, allow for small grants to organizations, which aid Jewish victims of Nazi persecution, and provide for

administrative costs to be incurred by the Claims Conference. In 2012, this program was expanded to include all areas of the former Soviet Union and to Jewish victims of Nazi persecution living in Eastern European countries that are today part of the European Union (formerly the Successor Organization Holocaust Victims Compensation Fund (HVCF)).

Net approved payments to individuals from the Hardship Fund were approximately \$57,530,000 and \$9,252,000 (€44,728,000 and €6,642,000) for 2012 and 2011, respectively.

During 2012, the Claims Conference submitted to and received reimbursement of approximately €4,039,000 (\$5,194,700) from the German Ministry of Finance for certain individual payments that were made in prior years by the Successor Organization. This amount is included in contractual programs on the statement of activities and transferred to the Successor Organization to reimburse the Successor Organization for these payments made.

(b) Article II Fund

In 1992, the Federal Republic of Germany agreed to pay a pension to certain survivors who (i) were in a concentration camp, ghetto or hiding for a minimum of a specified duration, (ii) are below a defined income limit, and (iii) have received little or no compensation. Liberalizations to the eligibility criteria have been negotiated subsequently.

Net approved payments to individuals from the Article II Fund were approximately \$234,900,000 and \$265,753,000 (€182,700,000 and €190,800,000) during 2012 and 2011, respectively.

Approximately €17,897,000 and €202,602,000 of Hardship and Article II funding was received for the years ended December 31, 2012 and 2011, and is included in the accompanying financial statements at the translated amounts of approximately \$280,232,000 and \$282,192,000, respectively, excluding administrative reimbursement of expenses of approximately \$12,920,000 in 2012 and \$11,660,000 in 2011.

The Hardship and Article II Funds have a deficit in net assets at December 31, 2012 of approximately \$10.7 million. The Claims Conference has received approval and reimbursement of certain 2012 expenses in 2013 from the Federal Republic of Germany for approximately \$4.8 million. The remaining balance is expected to be submitted for reimbursement to the Federal Republic of Germany in 2013. Such amounts are recognized as revenue when the claim is approved and funding is received.

(c) Hardship and Article II Funds Investigation

In 2009, the Claims Conference discovered irregularities in certain individual compensation programs and notified its findings to law enforcement authorities and to the Ministry of Finance in Germany (the Ministry) on behalf of whom these programs are administered. The Claims Conference adjusted procedures for determining eligibility for individual payment programs, terminated individuals in the New York office and relocated the claims processing to its other offices. The funding of these individual payments was and continues to be provided by the Ministry, which reviews and monitors the Claims Conference's processing of these payments and carries out

detailed audits. In the opinion of legal counsel and management, the Claims Conference has acted with appropriate business diligence in the disbursements of these funds, and therefore, this matter has no material impact on the financial statements. In May 2013, three people on trial for perpetrating the fraud were found guilty in U.S. Federal Court for the Southern District of New York. In addition to these guilty verdicts, twenty-eight other individuals have pled guilty with respect to this matter. Law enforcement authorities have quantified the amount of the alleged fraudulent individual payments at approximately \$57 million.

(d) *Central and Eastern European Fund*

In 1998, the Federal Republic of Germany agreed to provide funds to a Central and Eastern European Fund (CEEF) for Holocaust survivors according to the same persecution section related criteria as established under the Article II Fund. This fund is administered by the Claims Conference. In 2009, the Federal Republic of Germany agreed to provide up to €9,000,000 annually until further notice. In 2012 and 2011, respectively, approximately \$49,000,000 (€38,110,000) and \$50,691,000 (€36,394,000) in funds were provided under this program.

Approved payments to individuals from the CEEF were approximately \$47,251,000 and \$50,649,000 (€36,740,000 and €36,364,000) during 2012 and 2011, respectively.

(7) Other Program Funds

The column headed “Other Program Funds” in the accompanying financial statements consist primarily of the following programs:

- (a) Beginning in 1991, the Austrian government agreed to provide funds to the Committee for Jewish Claims on Austria for institutional projects benefiting aged Jewish victims of the Nazi persecution from Austria. In 2011, the Austrian government entered into a new agreement for the same purposes. Under this new conditional agreement, the Austrian government agreed to provide an additional amount up to €4,860,000 through 2013. During 2012 and 2011, respectively, the Claims Conference received funds of approximately \$2,721,919 (€2,060,000) and \$3,967,600 (€2,800,000). During 2012 and 2011, all funds received under this program were allocated.
- (b) In July 2010, The Harry and Jeanette Weinberg Foundation (Weinberg Fund) agreed to make a \$10,000,000 conditional grant, payable over a five-year period, to the Claims Conference to provide emergency assistance to Jewish victims of Nazism in North America. During 2012 and 2011, the Claims Conference received and allocated funds totaling approximately \$2,500,000 in both years.
- (c) The Claims Conference provides services to the Claims Resolution Tribunal, which administers claims regarding Swiss bank accounts under the Swiss Banks Settlement. Under this program, the Claims Conference provides certain supportive services for claims processing. The Claims Conference is not vested with the authority, and has no responsibility to make determinations regarding the disposition of any individual case. During 2012 and 2011, approximately \$9,700,000 and \$58,165,000, respectively, in awards were approved and funded by a U.S. federal court (the Court). These funds were distributed by the Claims Conference under this technical assistance program. These disbursements are not recorded in the statements of activities of the Claims

Conference. The Claims Conference is reimbursed for the actual costs incurred by the Claims Conference in the provision of these services. In 2012 and 2011, under the agreement, the Claims Conference received administrative reimbursement (recorded in grants and other) from the Court of approximately \$825,000 and \$3,059,000, respectively, for the costs of this program.

- (d) The Claims Conference is responsible for implementing the Victims List program on behalf of the Court to assist in the creation of a database, the purpose of which is to make accessible to the public the names of victims of the Holocaust. During 2012 and 2011, the Court transferred approximately \$151,000 and \$341,800, respectively, which included reimbursement for administrative expenses. During 2012, there were no new allocations made under this program. In 2011, allocations totaling approximately \$181,000 were made.
- (h) The Swiss Fund for Needy Victims of the Holocaust/Shoah was established in March 1997. The World Jewish Restitution Organization (WJRO) was chosen as the implementing partner for the distribution of the Swiss Fund to all Jewish victims worldwide. In 2011, the WJRO transferred its remaining balance to the Claims Conference to fund social welfare emergency assistance programs for needy Shoah victims. During 2012, there were no new allocations made under this program. In 2011, the Claims Conference received and allocated funds totaling approximately \$902,000.
- (i) The International Commission on Holocaust Era Insurance Claims (ICHEIC) was formed pursuant to a Memorandum of Understanding (MOU), dated August 26, 1998, to facilitate the payment of unpaid Holocaust era insurance policies to valid claimants. In June 2007, the Claims Conference and ICHEIC entered into an agreement whereby ICHEIC transferred to the Claims Conference its remaining current and future humanitarian funds as detailed in the agreement. The Claims Conference assumed the responsibility for overseeing the distribution of such funds in accordance with guidelines as determined by ICHEIC prior to its closure. Under this agreement, in 2012, the Claims Conference received \$1,000,000, and in 2011 there were no new funds received. Temporarily restricted net assets related to ICHEIC of approximately \$5,105,189 are to be used for the educational programs of Yad Vashem and the Jewish Agency in accordance with the stipulations provided by ICHEIC. Under this program, in 2012, approximately \$2,200,000 was allocated.

(8) Contingencies

The Claims Conference is involved in litigation arising from the conduct of its affairs as discussed below. In the opinion of management, the final disposition of these matters will not have a material adverse effect on the Claims Conference's financial position or changes in net assets.

In March 2010, a group of individuals who did not apply to the Fund for Victims of Medical Experiments sued the Claims Conference in the Tel Aviv District Court in Israel for approximately NIS 13 million (\$3,403,000). The claimants allege that the Claims Conference provided insufficient notice regarding distribution of information relating to the Fund for Victims of Medical Experiments. The Fund for Victims of Medical Experiments, which was a part of the German Foundation, "Remembrance, Responsibility, and the Future," is now closed, and it is no longer possible to apply for and/or obtain payments. In the opinion of management, there are meritorious defenses that have been submitted in the Claims Conference's statement of defense.

In connection with compensation received for the settlement of a property claim, in March 2007, the Claims Conference provided the other party with an indemnity through 2025 of up to €4,500,000, in respect to possible claims by certain heirs. As of December 31, 2012, no claims have been received from heirs. The contingent liability is not material to the financial statements.
