PANEEM makes registering for Claims Conference compensation programs easier.

Paneem is used for both proof of identity and proof of life. You can now verify your identity from the comfort of your home instead of requesting a life certificate, certifying it and then sending the paper to the Claims Conference for verification.

Paneem will help you verify your identity quicker so you can receive your payment faster.

PLEASE HAVE THE FOLLOWING ITEMS READY:

Claims Conference registration number and date of birth
(month/date/year, e.g. December 1, 1940 - enter 12/01/1940)

Your registration number (7-digit number) and date of the birth we have on file can be found in the letter you received asking you to register PANEEM.

Government-issued photo identity document
(an identity document can be a passport, driver license, naturalization certificate, state id)

An identity document must contain your date of birth and can be used even if it is expired. The document must also be an original and not a photocopy.

Mobile phone, tablet or computer that is connected to the internet and has a camera

STEP 3

• Claims Conference 7-digit registration number

• Date of birth (month/date/year)
  e.g. December 1, 1940 - enter 12/01/1940

• Press the "click to continue" button

STEP 4

• Enter your contact information
  Cell phone number or email

• Make sure to read the terms and check all the boxes if you accept them

• Press the "click to continue" button
You may be prompted to **ALLOW THE USE OF YOUR CAMERA**

**TIPS**

- Remove anything that hides your face, such as a hat, glasses, or a mask.
- Place your face inside the oval frame.
- Click **TAKE PHOTO** and take a photo of yourself.

This image should only contain your face. Please don't hold your government-issued ID in your hands while taking a photo.
TAKING A PHOTO OF YOUR IDENTITY DOCUMENT
(Such as a driver license, passport or state ID)

THIS STEP IS SKIPPED IF YOU REGISTERED SUCCESSFULLY FOR PANEEM IN THE PAST, GO TO P. 7

TIPS

- Make sure the whole document appears in the frame and is being captured.

- The document must show your photograph and list your date of birth. If your date of birth only appears on the back side of the document, take a photograph first of the front and then the back side.

- Do not cover the document with your fingers.

- Make sure the photo is not too dark or not too light that it can be read. Please also make sure there is no glare and the image is not blurry.

- Review the image after taking the photo. If you are not happy with the photo, click "retake" or click "submit" when you are happy with the quality of the image.

If you registered for PANEEM successfully in the past, for certification you only need to take a photo of yourself as we already have your identity document on file.
If PANEEM is unable to validate images, an error warning will appear, and you will be asked to retake the photo of yourself and the photo of your ID.

**ERROR WARNING**

If PANEEM is unable to validate images, an error warning will appear, and you will be asked to retake the photo of yourself and the photo of your ID.

**STEP 7**

You will be asked if your document has personalized information on a back side of your identity document.

- If the answer is **'YES'**
  Take a photo of the back of your document following the same steps (see p.5)

- If the answer is **'NO'**
  Complete PANEEM verification process
If the results are APPROVED:
"You have successfully completed your Paneem verification. No further action is needed."

If results are PENDING REVIEW:
